inspired with a sense of empowerment and armed with manuals full of no-money-down notions, seminar participants emerge into the sunlight all ready to do deals

i think it's safe to say that they didn't discuss the efficacy with you because it was moot

pat, the disconnect you refer to seems to me to be a frank dissociation between individual reality and the marketed image concealing the totalitarian green nightmare

some people say it fades on them but i haven't had a problem with that

more than likely i'm planning to bookmark your blog

often provides the necessary foundation that enables larger populations to live in fixed settlements

yohimbe is used for
